

## Keynote Speakers

This year's conference will be headlined by **Kevin Hines**, a mental health activist, and **Dr. Laura Riffel**, founder of Behavior Doctor Seminars.

## Venue

This year's conference will be held in **building A**, of the **Georgia World Congress Center**, in Atlanta, Georgia. We recommend having lunch at the **CNN Center**.

## Presentation Tracks

There are **8 presentation tracks**: Classroom K12; Birth to Age 8; Community Support; Mental Health; Family/Parent; Advanced Tiers; School Climate and All.

# Georgia Association for Positive Behavior Support

## 11th Annual Conference December 5-6, 2018

## Exhibitors and Sponsors

For-profit and non-profit organizations, from around the country, **showcase their products and services** related to positive behavior support.

## Continuing Education Units

We will be providing a variety of **CEU opportunities**. Last year we offered credits for educators, mental health professionals, psychologists and early interventionists.

## Registration Cost

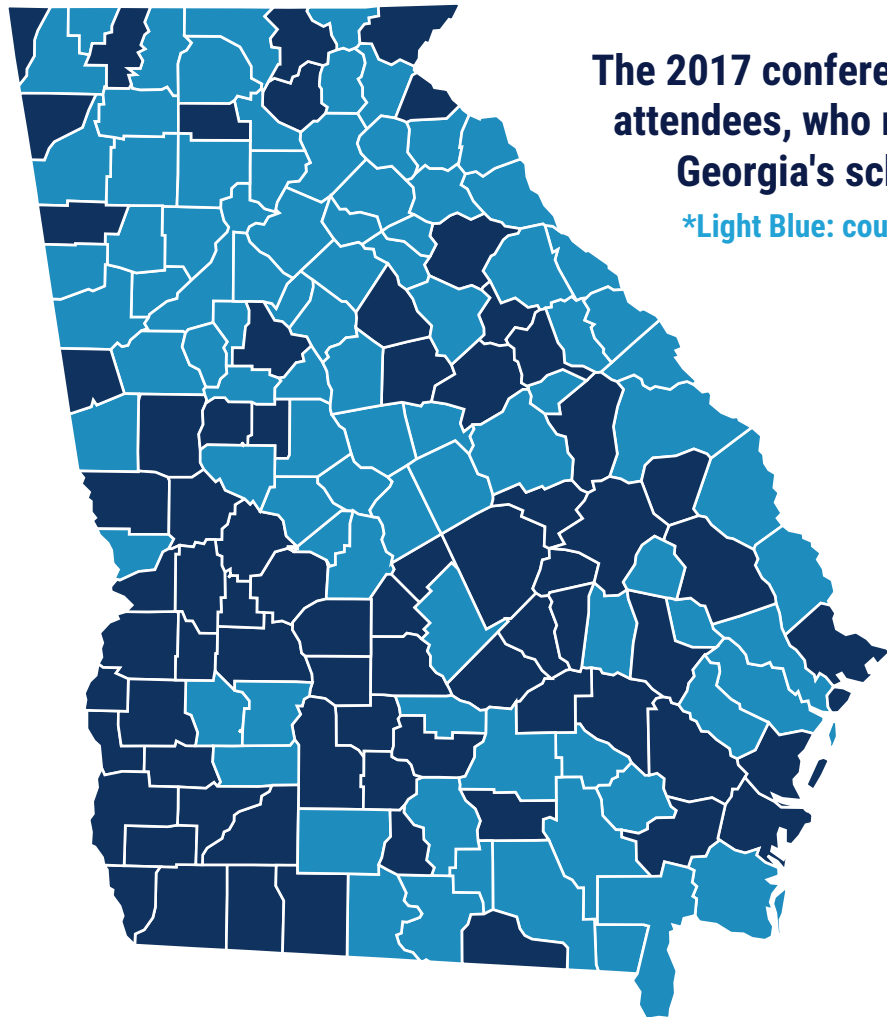

**Registration opens June 1, 2018**

Early Bird Registration: \$125  
Regular Registration: \$175  
Late Registration: \$200  
Volunteer/Student: \$75  
Groups (10+ people): \$125 each

## GAPBS Mission and Vision

The purpose of the GAPBS network is to increase the visibility of positive behavior support in Georgia. The network aims to provide a collaborative statewide effort to disseminate positive behavior support practices. The network supports a range of persons interested in promoting positive behavior support capacity building initiatives, promoting the use of positive practices, and promoting membership in the national APBS organization.
